

India's AI-powered search engine

Get direct, AI-generated answers with cited sources in seconds. Ask in your language, by typing or speaking. LukAap searches the web in real-time, understands the context, and gives you a complete answer.

🔍 Best mutual funds in India 2026 🔍

Key Features

Built for the way India searches

Direct AI answers with cited sources

Get a complete answer in seconds with numbered citations that link to original sources.

Example

"Best mutual funds in India 2026"

12 Indian languages + voice search

Tap the mic and speak in your language. LukAap understands and replies in the same language.

Example (Hindi)

"आज दिल्ली का मौसम कैसा है"

Local shop + online price comparison

See local shops in your city with prices, locations and directions, along with online prices.

Example

"iPhone 16 Pro Max"

Conversational follow-up questions

Ask follow-up questions without repeating context. LukAap remembers the conversation and understands what "it", "they", or "this" refers to.

Live trending search

See what people are searching for right now across Weather, Finance, Technology, Sports and Lifestyle. Discover new questions to ask.
